

Somebody

KIDZ BOP Kids

Come on Kidz bop kids (yeah) I wanna rock with somebody (whoa, yeah)
I wanna just dance with somebody (dance, dance, dance, dance)
I wanna rock with somebody (somebody, come on, come on)
And we ain't gonna leave nobody, we ain't gonna leave nobody (nobody) Why can't everybody know what's
good
'Cause some gon' hate what's new
We just do our thing, no time to waste
Always play it cool And at the end of the night when the lights go out, will we go home?
Oh, no, we won't
We never go home, we never go home
And when they try to make us leave we turn and say we never going home (home)
And you know just what I wanna do I wanna rock with somebody (whoa, yeah)
I wanna just dance with somebody (dance, dance, dance, dance)
I wanna rock with somebody (somebody, come on, come on)
And we ain't gonna leave nobody, we ain't gonna leave nobody (nobody) Why can't everybody know what's
good
We're our only plug
Bring us everything we think we need
Tonight is going up (tonight is going up) And at the end of the night when the lights go out, will we go home?
Oh, no, we won't
We never go home, we never go home
And when they try to make us leave we turn and say we never going home (home)
And you know just what I wanna do I wanna rock with somebody (whoa, yeah)
I wanna just dance with somebody (dance, dance, dance, dance)
I wanna rock with somebody (somebody, come on, come on)
And we ain't gonna leave nobody, we ain't gonna leave nobody (nobody) And the club like, whoa
We'll be in the party in the club like, whoa
And the club like
We'll be in the city hanging out like, whoa And the club like, whoa
We'll be in the party in the club like, whoa
Yeah, we'll be in the city hanging out like, whoa
We'll be in the party in the club like, whoa And at the end of the night when the lights go out, will we go home?
Oh, no, we won't
We never go home, we never go home
And when they try to make us leave we turn and say we never going home (home)
And you know just what I wanna do I wanna rock with somebody (whoa, yeah)
I wanna just dance with somebody (dance, dance, dance, dance)
I wanna rock with somebody (somebody, come on, come on)
And we ain't gonna leave nobody, we ain't gonna leave nobody (nobody)
