

# Tag The Party

## Point Break

Now here's the party  
It's a party that's funk'in'  
It's jumpin' and bumpin' the beat  
The bad ballroom dance  
Pickin' it up with the chance  
Find a little buzz because  
We'r makin' the noise  
But it ain't about the weather  
Lay you on the leather  
Hey I'm at the end of my tether  
With the 11'o clock stop stop I don't think so  
No soon enough you'll feel my flow  
Chorus  
Come 'n' get it we'll show you how  
Rough 'n' ready right here right now  
Everybody tag the party  
Everybody na na na na na na na  
  
Everybody move move your body  
Everybody na na na na na na na  
P a r t y it's time to fly  
Don't try to bust a whack  
Move no just get your hands high low  
Ho an apocadelia flow  
Cuttin' straight through  
All the grass ass hooked upon a flymo  
So we go don't step  
Just put your butt out  
Flat out went out'n' smashed upon the glass  
House the situation is this  
Rhyme's for the wild child  
Woop there it is  
It's party time  
Repeat chorus  
Na na na na na na na na p b break
