

So in Love

Kate Ryan

I'm so enraptured by the thought of yesterday You and me all alone in a quiet empty place

I close my eyes and pray this magic never ends

I rewind in my mind so I feel your touch again I don't know what to do

But I know that it feels so right

And the way that you move keeps me going through the night. And it feels like flying

And it feels so exciting

I don't know what to do

But I know that it feels so right So in love when we're together

So in love and I lose control

So in love when you hold me tight and I look into your eyes I dedicate my love to you and no one else

You have captured my heart like a shadow in the dark I don't know what to do

But I know that it feels so right

And the way that you move keeps me going through the night. And it feels like flying

And it feels so exciting

I don't know what to do

But I know that it feels so right So in love when we're together

So in love and I lose control

So in love when you hold me tight and I look into your eyes
