

# Rules of the Road

**Tony Bennett**

Well these are the ropes  
The tricks of the trade  
The rules of the road I'm one of the dopes  
For whom they were made  
I'm a fool of the road You follow that kiss  
And recklessly miss  
A bend of the road  
Then suddenly this  
The end of the road Love is a hoax  
A glittering string  
Of little white lies  
But these are the jokes  
That's why they bring  
Tears to your eyes Well, love often  
Shows a funny return  
The brighter it glows  
The longer you burn  
And Lord only knows  
Love has little concern  
For the fools of the road But that's how it goes  
You live and you learn  
The rules of the road
