

Pigeon Farm

Marcy Playground

If you could see in my eyes
I'd show you a darling, surprise
There is a place, there is a fortune
It has everything and
I want to share it with my friends So please don't be so afraid
'Cause there's nobody insane Here, here on the pigeon farm
Here, here on the pigeon farm
Here, here I'm the pigeon farm boy Out where the sun's in my eye
And out where the hills hit the sky
There is a place, there is a fortune
It has everything to
Help you fit in with everyone So please don't be so afraid
'Cause there's nobody insane Here, here on the pigeon farm
Here, here on the pigeon farm
Here, here I'm the pigeon farm boy So, please don't be so afraid
'Cause there's nobody insane Here, here on the pigeon farm
Here, here on the pigeon farm
Here, here I'm the pigeon farm boy
