When I Look In Your Eyes

C21

For the first time I see it in your eyes
For the first time it hurts deep inside
I wish that I could turn back time
But there's no going back? no way to denyOoohh suddenly
It feels like loosing it all
I'm trying so hard to be strongWhen I look in your eyes
I don't know how to tell you
With every beat of my heart I try
To find a way to survive
Find a way to let go now
Tell me how to live my life aloneIt's so hard to tell the truth from the lies
So would you hold my hand for one last goodbye
I don't know if I can let go
Who will catch me if I stumble and fall
When I look in your eyes...
