

# Say a Prayer

## Breathe

Oooh, woah-woah-woah-woah-woah

Sweet sugar, a-pumping through my veins, every nerve is on a wire

Sweet sugar, you say it's just a game, soon to be your one desire

When the devil holds your hand, then you know he's in command of temptation

Like the beauty of a rose, or a summer that will go, where's salvation?

Say a little prayer

Say a little prayer for me, yeah

Say a little prayer

Say a little prayer for me, yeah yeah, yeah, yeah

Oh, woah

Sweet sugar, your world just tumbles down, how you hunger for illusion

Sweet sugar, will take more than you own, all you have is your confusion

You'll be standing in the rain, you'll be crying out in shame, for mercy, yeah

So you turn to every man, say you need a helping hand, don't desert me, no, no

Say a little prayer

Say a little prayer for me, yeah

Say a little prayer

Say a little prayer for me, yeah, woah

Say a little prayer

Say a little prayer for me, oh, oh, oh

I don't know what I've done with my life

I don't want to think of all this wasted time

I was in search of paradise

Yet this seems a heavy price to pay, yeah

Say a little prayer

Say a little prayer for me, oh, won't you say a prayer

Say a little prayer

Say a little prayer for me, oh, oh

Say a little prayer

Say a little prayer for me, yeah, say a prayer

Say a little prayer

Say a little prayer for me, yeah, oh

Say a little prayer

Say a prayer for me, oh, won't you

Say, say a little prayer
