I Know

The Dandies

The Dandies - I Know

I will love my enemies
I will fall onto my knees
Each day day day
and pray pray pray

Judge not and you will not be judged
Forgive and that you will recieve
Raise your words words words
And you'll be heard

I know where I'm going
Love is what i'm showing
I know where i'm going
I hope you'll be there too

Raise your words and not your voice
Give me wisdom not noise
The thing you feed feed feed
It Grows in me me me

Don't judge your day by what you reap
Just do your best and plant your seed
I am the vine vine vine
and you are mine

I know where I'm going
Love is what i'm showing
I know where i'm going
I hope you'll be there too
