Waste away the afternoonFeeling sorry for myselfGot a thousand things I need to doBut no motivation leftAnd all your lettersAre scattered across my bedEvery I love you underlined in red linesRemind meTakin' it one day at a timeheavy come and heavier goTryin' to drink you off my mindBut I'm fallin' apartOne day at a timeCall you up but no one's homeI guess you're out there on the townAny other thursday nightI'd be right beside you just pourin em downCircle of friendsHangin out at the city barI guess they all know nowHow you broke my heartSaid I'm taking it hardLiving one day at timeheavy come and heavier goTryin' to drink you off my mindBut I'm fallin' apartOne day at a timeReally thought that I was gonna make you happyI'm such a fool, such a foolI let you in but I guess you didn't like what you seenLove is cruel, love is cruel, loveDying one day at a timeHaving her come and having her goTryin' to drink you off my mindBut I'm fallin' apartOne day at a timeOne day at a timeOne day at a timeOne day at a timeOne day at a time
