Saying Goodbye

Sugarcult

She kisses everyone goodbye
And waves her middle finger high
They're never gonna mess with her again
The drama queen is seventeen
And sleeping with boys for free

She's got a reputation of being easyEverytime they put her down, she makes a fist and the tears roll down She packs her bags and plans to run awayShe's saying goodbye and leaving tonight

She's wasted all her lonely tear drops

She's saying goodbye and leaving tonight

She's used up all her lonely tear drops nowShe thinks about herself and cares about nobody else

Because the only friends she has all put her down

They hate her when she's beautiful and even more when she's a fool

They talk behind her back when it's her birthdayEverytime they put her down, she makes a fist and the tears roll down

She packs her bags and plans to run away

And everytime she makes a friend, the vicous cycle starts again

She's never, ever, ever looking backShe's saying goodbye and leaving tonight

She's wasted all her lonely tear drops

She's saying goodbye and leaving tonight

She's used up all her lonely tear drops nowShe's saying goodbye, she's wasted all her loney tear drops Saying goodbye, she's used up all her lonely tear drops nowEverytime they put her down, she makes a fist and the tears roll down

She packs her bags and plans to run away from here
And everytime she makes a friend, the vicous cycle starts again
She's never, ever, ever looking backShe's saying goodbye and leaving tonight
She's wasted all her lonely tear drops
She's saying goodbye and leaving tonight
She's used up all her lonely tear drops nowShe's wasted all her lonely tear drops now
