

# Swallow Baby (Tim Brown Remix)

## Ruby

"Martini is at the piano,a cigarette hanging from her lips"The more I see, the more I do,

The more I spit, the more I chew,  
The more you suck, the more I have to  
Swallow baby.And when I see the things you do,  
The more I want the least of you,  
The more I spit, the more you have to  
Swallow baby.You think you gotta push it,  
You think you gotta push it,  
You think you gotta push to make me  
Swallow baby.You think you gotta push it,  
You think you gotta push it,  
You think you gotta push to make me  
Swallow baby.And so you think that I'm a freak  
Because I refuse to sneak  
Around the back of your dull head is  
Hollow baby.And maybe you can see me lie  
Out of your one good eye  
Around the back of your dull head so  
Hollow babyHang bone? Hang bone?  
I don't need yours, 'cause I got one of my own.  
Hang Bone? Hang bone?

I don't need yours, 'cause I got one of my own.And now I see the things you do  
It makes me want the least from you,  
How does it suck for you to have to  
Swallow babySo maybe you can see me lie,  
Out of your one good eye  
Around the back of your dull head so  
Hollow baby.Swallow baby [Repeat x4]You think you gotta push it,  
You think you gotta push it,  
You think you gotta push to make me  
Swallow baby.You think you gotta push it,  
You think you gotta push it,  
You think you gotta push to make me  
Swallow baby.Hang Bone? Hang bone?  
I don't need yours, 'cause I got one of my own.  
Hang Bone? Hang bone?  
I don't need yours, 'cause I got one of my own.
