

Lunacy Booth

Therapy?

Reveal yourself to me
Like cheap pornography
Picking at my guilt
With promises of hell(Christ)
Sin, it's all that you know
(Christ)
Sin, it's all that you know(Christ)
Sin, it's all that you know
(Christ)
Sin, it's all that you knowGlad my mirror's broken
My image is a burden
I want to lose myself
In the coming of the Lord(Christ)
Sin, it's all that you know
(Christ)
Sin, it's all that you know(Christ)
Sin, it's all that you know
(Christ)
Sin, it's all that you knowReveal yourself to me
(I wanna lose myself)
Reveal yourself to me
(I wanna lose myself)Reveal yourself to me
(I wanna lose myself)
Reveal yourself to me
(I wanna lose myself)(Christ)
Sin, it's all that you know
(Christ)
Sin, it's all that you know(Christ)
Sin, it's all that you know
(Christ)
Sin(Christ)
Sin it's all that you know
(Christ)
Sin it's all that you know(Christ)
Sin it's all that you know
(Christ)
Sin it's all that you knowYou're just the same as me
You're just the same as me
You're just the same as me

You're just the same as me
You're just the same as me
You're just the same as me
You're just the same as me
