Le Tigre

Intro

So many kinds were can we start?
We like them dumb and we like them smart
I like the ones with the pretty eyes
Well, I like all kinds of guys!
Stop, What happened?
How about the ones we especially like?
Which ones?
Ya know the ones with the cars that go...

I hear ya

Hit itVerse 1

It was me and the posse
With Bunny D
We were cruisin in the Jag or the Lambourghinis
When low and behold there appeared a mirage
He was hooking up a car in his daddys garageWe stopped short did a double take
He was lookin so fly I thought I wasnt awake
He was obviously hooking up bass I assumed
Then he turned the little button and the car went BOOM!Chorus

We like the cars

The cars that go boom

Were Tigra and Bunny and we like the boom

We like the cars

The cars that go boom

Were Tigra and Bunny and we like the boomVerse 2

We like them short

And we like them tall

We like them one

And we like them all

There always adding speakers when they find the room
Cause they know we love the guys with the cars that go boom!
And see my boyfriend really knows where its at
He's got 50 inch woofers all along the back
He makes a comment on going to my room
But Id rather stay out with his car that goes boom!ChorusVerse 3

Now if your car aint got it

Go out and get it

We like the boom

And dont you forget it

So turn down the treble
And flaunt your bass
So your car could be heard almost any place
'cause when ya in the street you cant go far
Without hearin the boom pouring out ya car
So if ya speakers weak
Then Please turn it off
'cause we like the cars that sound so tough
Chorus Everybody just beep your horn,
Just beep your horn Beep beep beep beep
Now Clap
Everybody just beep your horn
