

She's Not Into Me

Small Town Heroes

Throwback to our very first meeting
Shy guy with a hopeless greeting
Punk girl with a preppy smile
but I'm just staring through my phone.Maybe I could try to talk to her,
or tell a joke or spit and slur but
I'll end up tripping through the punchbowl
dancing like i'm 95Cause I'm stuck thinking that maybe she's not into me
Could that be her boyfriend who's standing right in front of me
I'm not getting anywhere just waiting for the tables to turn,
another lesson that I won't ever learnI'm just a little bit nervous
She's getting close I see
But she just walks right by and
doesnt even notice meThough I don't seem to mind
I'm dying on the inside
Never thought I could feel this way
About a girl I only met todayNo I won't sleep at night
Till this girl is right here by my sideCause I'm stuck thinking that maybe she's not into me
Could that be her boyfriend who's standing right in front of me
I'm not getting anywhere just waiting for the tables to turn,
another lesson that I won't ever learnTo put my best foot forward
I'm falling for the wrong girl it would seem
But this is my night, I'm gonna
Take what's mine and make this
Girl see the man of her dreamsOooooohhhhCause I'm stuck thinking that maybe she's not into me
Could that be her boyfriend who's standing right in front of me
I'm not getting anywhere just waiting for the tables to turn,
another lesson that I won't ever learnCause I'm stuck thinking that maybe she's not into me
Could that be her boyfriend who's standing right in front of me
I'm not getting anywhere just waiting for the tables to turn,
another lesson that I won't ever learn
