Operation: M.O.V.E.

LeftoÌˆver Crack

Philadelphia / Seventy-Eight
Shut down M.O.V.E. / By police state
Forty-five police storm Powellton Village
Government sanctioned rape and pillage
Friendly fire kills officer dead
The M.O.V.E. nine are framed up instead
One dead cop / One officer's gun
(One) Unjust system is yet undone
In spite of efforts dissipated
Until the movement was incineratedMay thirteenth / Eighty-five
Eleven people / Burned alive
They dropped the bomb after liquid was doused
To smoke out the family and burn up the house
Sights trained on exits, the police wait
A firing squad for those who fight to escape
M.O.V.E. fought against exploitation
The states injustice and their oppression
For these crimes that the city pigs created
The Africa's were incinerated
Sentence to be incinerated
Sentence to be incinerated
