

I'm Yours

Triple Image

I went away for a while
could hear your voice
and see the way you smile
Oh you know what i like
'Cause you make me feel right
When im with you everything around me
is like a dream come true
And ive been waiting for a boy like you
(Chorus)

Baby im yours
(im yours, im yours, im yours)
You're the one ive
been waiting for im yours
Baby im yours(im yours im yours)
Your the one that ive been searching

for im yours
Don't walk away don't be shy
I know how you feel
ill be right by your side
'Cause you know what i want
and you know that im here
because of you
Everyday's a dream
and no one else will do
'Cause you're the only one i want
its true
(Chorus)

I don't want to be here without you
i don't wanna lose you again
(Chorus repeat)
Baby im yours
