why did you go

Hey! Say! 7 WEST

I woke up today with my head in a daze 'cause my love had gone
With nothing to do, just to dream about you and how we went wrong
But oh, why did you go?
I loved you so, didn't you know?
I walk into town with my head hangin' down, tryin' to hide my pain
The people I meet as I float down the street, tell me try, try again
But oh, why did you go?
I loved you so, didn't you know?
When I remember how good it was, it makes me cry
'Cause my life's been turned upside down

All I want is someone but how do you say
Please will you stay, please will you stay?
I'll settle down to the life of a clown to remain alive
I'll work till I bleed and if I can succeed, maybe I'll survive
But oh, why did you go?
I loved you so, didn't you know?
But oh, why did you go?
I loved you so, didn't you know?
