Sadistic Embrace

Carnifex

Since the beginning I've been thinking of a way.Since the beginning I knew I couldn't change.I knew from day one that this never had a chance.It's all fake, it's all in the past.Partial understanding of my forced identity; I'm dead inside and it's all I'll ever be.I gave up everything, I gave it all away.Partial understanding of my forced identity; all we have is false hope.
