Buttup

[Killing Heidi](#)

Take it all
Take my stuff,
'Cause this time,
I don't want it to be my fault baby.
Now I know, seen enough
I've seen enough
To know that I've had enough maybe.
Now I'm alone,
I'm here with me,
Got clarity and baby
I can see through your bullshit.
I wanna be alone with me
And all the broken down pieces
'Cause no one can fix it.
Buttup
Buttup
Buttadup
Buttup
Ba Ba hey, eh..
Buttup
Buttup
Buttup
Buttup
Ba Da hey, eh..
Take it all
Take my stuff
'Cause this time,
I don't want it to be my fault baby
Now I know, seen enough
I've seen enough
To know that I know you maybe.
Now I'm alone,
I'm here with me,
Got clarity and baby
I can see through your bullshit.
I wanna be alone with me
And all the broken down pieces
'Cause no one can fix it.

To know that I know you maybe.

Got clarity and baby

I can see through your bullshit.

I wanna be alone with me

And all the broken down pieces

'Cause no one can fix it.
