

# As the Dragonfly Flies

## Icicle Works

As the dragonfly flies, as the flowers rise  
As the sleeping streets of azure bend the fool  
As the willow weeps, as the lizard peeps  
Down tepid streams with dreams of passing through  
You are what you are  
You are what you are  
You are what you are  
As the hope expires, as the land conspires  
As the lily-pads drift softly through a night  
In the musty halls, where invention calls  
With the voice of indecision filling fright  
You are what you are  
You are what you are  
You are what you are  
Watch it, feel it, hold me, thrill me  
Give it, take it, as the dragonfly flies  
You are what you are  
You are what you are  
You are what you are
