

Guys My Age

Hey Violet

[Hey Violet]

I've been seeing my ex since we broke up
Probably 'cause you didn't want to go off...
Now I'm out and sucked a low cut
'Bout to get attention from a grown up 'Cause you hold me like a woman
In a way I've never felt before
And it makes me wanna hold on
And it makes me wanna be all yours...Guys my age don't know how to treat me,
Don't know how to treat me
Don't know how to treat me
Guys my age don't know how to touch me,
Don't know how to love me good
Guys my age don't know how to keep me,
Don't know how to keep me
Don't know how to keep me
Guys my age don't know how to touch me,
Don't know how to love me good All I ever wanted was to broke down
What we're supposed to do with all these friends around?
Yeah, smoking weed, you'd never wanted leave the house
Got an empty cushion on the sofa now
Told them good luck with the next one,
Maybe she'd be [?]
Gotta thank him, he's the reason
That I know now what I'm looking for Guys my age don't know how to treat me,
Don't know how to treat me
Don't know how to treat me
Guys my age don't know how to touch me,
Don't know how to love me good
Guys my age don't know how to keep me,
Don't know how to keep me
Don't know how to keep me
Guys my age don't know how to touch me,
Don't know how to love me good So, I'm never coming back
(Don't know, I don't know, don't know)
No, I'm never going back Guys my age don't know how to treat me,
Don't know how to please me
Don't know how to read me
Guys my age don't know how to touch me,
Don't know how to love me good

Yeah!

Guys my age don't know how to tease me,

Don't know how to lead me

Don't know how to need me

Guys my age don't know how to touch me,

Don't know how to love me good! So, I'm never coming back

(Don't know, I don't know, don't know...) No, I'm never going back

Guys my age don't know how to touch me, (Don't know how to love me good...)
