

# Turn To You

Justin Bieber

You worked two jobs  
To keep a roof up over our heads  
You chose life for me  
No you never gave up  
I admire you for the strength you instilled in me You were so young  
You were just my age when you had me  
Mom, you were so brave  
There was nothing that would stop or get in our way  
And I know you will always be there for me So when youre lost and youre tired  
When youre broken in two  
Let my love take you higher  
Cause I still turn to you 3x It was 94  
The year that everything started to change  
From before, You had to be a woman  
You were forced to change your ways  
To change your ways Then you found the Lord  
You gave your life to Him  
And you could not ignore  
The love he had for you  
And I wanted more of your heart So when youre lost and youre tired  
When youre broken in two  
Let my love take you higher  
Cause I still turn to you. I dont know what Id do if you left me  
So please dont go away  
Everything that you are is who I am  
Who I am today. So when youre lost and youre tired  
When youre broken in two  
Let my love take you higher  
Cause I still turn to you. 3xCause I, I turn to you
