

Cough Syrup

Young the Giant

Life's too short to even care at all, oh
I'm losing my mind losing my mind losing control, oh oh
These fishes in the sea they're staring at me oh oh
Oh oh oh oh
A wet world aches for a beat of a drum
Oh If I could find a way to see this straight
I'd run away
To some fortune that I, I should have found by now I'm waiting for this cough syrup to come down, come
down. Life's too short to even care at all, oh
I'm coming up now coming up now out of the blue, oh
These zombies in the park they're looking for my heart
Oh oh oh oh
A dark world aches for a splash of the sun, oh oh If I could find a way to see this straight
I'd run away
To some fortune that I, I should have found by now And so I run now to the things they said could restore me
Restore life the way it should be
I'm waiting for this cough syrup to come down Life's too short to even care at all, oh
I'm losing my mind losing my mind losing control, oh oh If I could find a way to see this straight
I'd run away
To some fortune that I, I should have found by now So I run now to the things they said could restore me
Restore life the way it should be
I'm waiting for this cough syrup to come down One more spoon of cough syrup now (oh whoa) [x2]
