Excuses Me
I've got an announcement to make
Yo If you ain't never been to instead
Then Welcome were chickens cluck cluck
day and night G & BI see some chickens going crazy all over my cage
I'm about to pluck two freaks
I'm up on my way
Cluck Cluck bodies stacking all up in my crib
Anybody wanna know if the parties still at six
Somebody's nockin and nockin nockin at my door
The same chick that you slept with
She played my mans come home from a gig
She said after tonight she got to be with the kids (kids kids kids kids kids)I don't want to bring you complications
I just want one night of satisfaction
After tomorrow we can act like nothing happened
Take this invitation with the matching card to the train stationShe said I do I do I do la what
She said I do I do I do cluck cluck
She said I do I do I do la what
She said I do I do I do cluck cluckI see some chickens going crazy all over my cage
