Immortal Love

To / Die / For

Looking deep into your eyes no better place to hide when i'm scared and i'm weak you can help me before i bleedyou can help me forget the pain that i feel deep inside let me shed these tears let me just be with youyou're my saviour again you are my angelmy blood runs in you your blood runs in my veins we love this kind of immortal loveopen up the scars and give your blood i will give you mine i think it's what unitesthis is all i believe you're the one i trust i believe in our love and i always will
