

Big Sunglasses

Dragonette

(Big sunglasses-es-es-es-es-es-es-es)

(Big sun, big sun, big sunglasses)

I never got that particular feeling
Iâ€™m doing better now than how Iâ€™ve been
Then again I never really ever get anything right

Iâ€™ve got a scab that I canâ€™t stop picking
Things that I thought Iâ€™d forgotten
Things that I thought got better over night
So whatâ€™s shaking, a complication

I thought by now Iâ€™d be 5â€™11â€•
Iâ€™d be hanging out with the top banana
Executive access to upper classes
Run and get me some of them big sunglasses

Better gather up what I left for dead
All the pieces needed in a level head
All the information that Iâ€™ve taken down all on my own

So if you think you saw me getting by
I was only lost in another life
And now Iâ€™m racing back to where I came from, I got nothing to show
Whatâ€™s shaking, a complication

I thought by now Iâ€™d be 5â€™11â€•
Iâ€™d be hanging out with the top banana
Executive access to upper classes
Run and get me some of them big sunglasses

I thought by now
Iâ€™d be 5â€™11â€•
Iâ€™d be hanging out
With the top banana
Executive access to upper classes
Run and get me some of them big sunglasses

Iâ€™ve got a little left, Iâ€™ve got a little left in me

I ain't finished yet, I've got a little left in me

I've got a scab that I can't stop picking
Things that I thought I'd forgotten
And now I'm racing back to where I came from, I got nothing to show
What shaking, a complication

I thought by now I'd be 5'11"•
I'd be hanging out with the top banana
Executive access to upper classes
Run and get me some of them big sunglasses

I thought by now
I'd be 5'11"•
I'd be hanging out
With the top banana
Executive access to upper classes
Run and get me some of them big sunglasses
