

# Why Should The Fire Die?

## Nickel Creek

Why should the fire die  
My mom and dad kept theirs alive  
It's early yet, don't say goodnight  
I know in time you'll be all right You're shining still behind the clouds  
Saying I won't figure you out  
I like it true, but let me try  
And try and try for the rest of my life I'm not scared of being alone  
I'm not scared of being alone, being alone I'm just happier being confused  
Beside the fire, as long as it's with you
