

Hollywood

P.o.d.

All American boy with big dreams of glamor life
Bright lights and boogie nights
The hype is 'Everything could be yours if the price is right'
Grab your nothing and hold it tight
The first chance you get your heading out to the west
This decision is one you won't regret
Move to the place where everybody knows ya
Like Hollywood, Los Angeles, California So you wanna be a superstar
Welcome to Hollywood
Quick money, fly women, fast cars
Welcome to Hollywood
So you wanna be a superstar
Welcome to Hollywood
High times, big dreams, living large
Welcome to Hollywood One way ticket, then you'll live this
Life of a superstar caught up in this business
God as my witness, you will never change
Only been here a day, already in the game
You changed your name, you don't even look the same
Now you're on top of the world
Money, power, and fame
Picture perfect, just like you planned
No longer him, 'cause you the man So you wanna be a superstar
Welcome to Hollywood
Quick money, fly women, fast cars
Welcome to Hollywood
So you wanna be a superstar
Welcome to Hollywood
High times, big dreams, living large
Welcome to Hollywood Welcome to Hollywood
Welcome to Hollywood
Welcome to Hollywood
Welcome to Hollywood You'll never get the best of me
You'll never get the best of me
You'll never get the best of me
You'll never get the best of me You'll never get the best of me
You'll never get the best of me
You'll never get the best of me
You'll never get the best of me You'll never get the best of me

You'll never get the best of me
You'll never get the best of me
You'll never get the best of meThe time ticks away, you've had your play
Sold your soul for the roll, now you got to pay
Forfeit integrity, overnight celebrity
Settle for selfish gain rather than dignity
Another sucka, why did you trust a playa like me fool
Eternal hustler, I'm taking everything and now you know
I hate to tell you but, I told you soSo you wanna be a superstar
Welcome to Hollywood
Quick money, fly women, fast cars
Welcome to Hollywood
So you wanna be a superstar
Welcome to Hollywood
High times, big dreams, get you large
A victim of HollywoodSo you wanna be a superstar
Welcome to Hollywood
Quick money, fly women, fast cars
Welcome to Hollywood
So you wanna be a superstar
Welcome to Hollywood
High times, big dreams, living large
Welcome to HollywoodSo you wanna be a superstar
Welcome to Hollywood
So you wanna be a superstar
