

Worrisome Heart

Melody Gardot

I need a hand with my worrisome heart
I need a hand with my worrisome heart
I would be lucky to find me a man
Who could love me the way that I am
With this here worrisome heart I need a break from my troublin ways
I need a break from my troublin ways
I would be lucky to find me a man
Who could love me the way that I am
With all my troublin ways I need a man who got no baggage to claim
I need a man who got no baggage to claim
I would be lucky to find me a man
Who could love me the way that I am A worrisome, troublin, baggage free
Modern day dame
Worrisome, troublin, baggage free
Modern day dame
Ain't nobody the same
