

Bill

Oscar Peterson

All of you ladies out there turn up your radio
Girls, I'm about to tell you something You may wanna know
You know things they're not always
What they appear to be
And I don't want to happen to you
What happened to me Listen, There are no words that can describe, what I felt inside
When I found out the man I loved loved another guy
We were at a party, Ohh to have a little fun
But when I looked around my-my man was missing
I walked outside, I couldn't believe my eyes
He was in Bill's arms breathin hard and french kissin I was ready for Mary, Susan, Helen and Jane
When all the time it was Bill who was sleeping with my man Bill has been to my house a thousand times
He and my man would go camping and fishing
Oh I tell you it never crossed my mind
Bill was a friend and he was God Uncle to my only son
Now it looks Uncle Billy wants to be his step-mom Now you see I was ready for Mary, I was ready for Jane
How do a woman compete with a man for another man I asked my man why didnt you tell me that you were gay
when you knew, knew I build my world around you
I knew I had those feelings and I didn't want it to be
I thought by being with you, Girl I thought it would change
As tears came to my eyes, hesays I'm sorry I hurt you so
I got to pack Bill is waiting for me and I got to go I was ready for Mary, I was ready for Jane
When all the time it was Bill who was sleeping with my man
Thank you for using Top40db.com. I don't feel ashamed and I don't take the blame
My man was just a queen, he was a Queen that thought he was a King
He told before he left he said
I know you're hurt and oh I know you're mad
But if that's not asking too much,
could you tell my son I love him and I'm still his dad I was ready for Mary, Susan, Helen and Jane
When all the time it was Bill who was sleeping with my man I was ready for Mary, Susan, Helen and Jane
When all the time it was Bill who was sleeping with my man
Bill used to come over to my house, I used to fix him my food
I used to loan Bill my money, all the time he was in there tryin' to get
my honey
