

Flava In Ya Ear (Easy Mo Mix)

Craig Mack

'Yo Mack, I don't even UNDERSTAND how they didn't understand you in
That Mary joint!

'Yeah, I know, man.'

'Kick that ol' robotic, futuristic, George Jetson, CRAZY JOINT'Just like Uniblab, robotic kickin' flab

My flavor be the badder

Chitter-chatter

Madder than the Mad Hatter (1)

I bet you my shit come out fatter

Got the data

To turn your body into antimatter (2) { body into antimatter }

And just like a piece of sizzlean

You'll fit inside my stomach

With the eggs and grits between { take 'em down, Mack }

The King is what I mean

I mean

My man get a cup

And put some change inside your hand { take 'em down, Mack }

Now hold up

Let's make this official { make it official }

Everybody let's agree that M.C.'s need a tissue { wake 'em up }

The funk's my only issue

I bet your mama miss you

And I bet the Mack take off like an M.X. missile

No more of your whining

On the charts climbing

As I make the funk

Kickin' out more harder than a diamond { harder than a diamond }

And if you didn't know who's rhyming

I guess I'm gonna say Craig Mack

With perfect timing You won't be around next year

My rap's too severe, kickin' mad flava in ya ear { KICK IT DOWN! } Here comes the brand new flava in ya ear

{ Brand new flava in ya ear }

Time for new flava in ya ear

I'm kickin' new flava in ya ear

Mack's the brand new flava in ya ear Craig Mack

1000 Degrees

You'll be on your knees

And you'll be burnin', beggin' please

Brother FREEZE! {BOY! }

Man's indisputed
And deep-booted
Funk smoke that leaves your brains booted
This bad M.C
With stamina like Bruce Jenner(3)
The winner
Tasting M.C.'s for dinner
You're crazy like that glue { you're crazy, boy, You're crazy. }
To think that you
Could out-do
My one-two
That's sick like the flu { shake 'em down, Mack }
BOY, I flip
BOY all the time, 'cause
BOY, the rhyme you're kickin' {HAAAAAAAAAAA! BOY! }
Ain't worth a dime
Seems like there's no competition
In this rap world expedition
You come around
I'll knock you outofposition { knock 'em out! }
No flav
Could ever dig a grave
For the Mack
The power pack
In black
Makin' cement crack { make it crack } And here comes the brand new flava in ya ear
Mack's the brand new flava in ya ear Here comes the brand new flava in ya ear
{Here- comes- the- brand- new- flavor-
Time for new flava in ya ear
In- your- ear
I'm kickin' new flava in ya ear
BOY }
Mack's the brand new flava in ya ear
{Flavor down }
Here comes the brand new flava in ya ear
{Flavor, Flavor, here comes the flavor}
Time for new flava in ya ear
I'm kickin' new flava in ya ear
Mack's the brand new flava in ya ear
{Flavor in ya ear, boy }HAAAAAAAAA
The Mack's dope
With more hope than your Pope
But for M.C.'s more knots than rope
I'd like to break it down
Down-breakin'

Forsaken
Lords of M.C.'s shakin
With this track that my man's makin'
M.C.'s will run like a bomb threat
I bet {what?}
Or better yet {huh?}
Make you sweat
Gettin' hotter than the sun get {yup!}
Craig Mack is the flav that romps
From here to Tibet {BOY!}
I break all rules
With my action
That the Mack sends
To M.C.'s stop relaxin'
This brand new Sherrif that's in town's
Gettin' down
Leavin' bodies buried in the ground { rest in peace }
I set up rhymes for a decoy
To off a bad boy {OOOhhhh!}
Watch the M.C.'s I destroy and {BOY} Here comes the brand new flava in ya ear
{Time for new flavor
Time for new flava in ya ear
Fla-VOR}
I'm kickin' new flava in ya ear
{Time for the flav
Mack's the brand new flava in ya ear
Boy, here come the Mack}
Here comes the brand new flava in ya ear
{HAAAAAA
Time for new flava in ya ear
Wakin' up with flavor}
I'm kickin' brand new flava in ya ear Mack's the brand new flava in ya ear
{HAAAAAAA! BOY }
