

He Knows I'd Love To See Him (2010 Remaster)

Morrissey

He knows, he knows
Or I think he does
'Cause when I lived
In the arse of the world
He knows, he knows
He knows I'd love
To see him happy
Or as close as is allowed Oh, 'cause when I lived
In the arse of the world
He knows, he knows
He knows I'd love
To see him happy
Or as close as possible
As close as possible
As close as is allowed (Oww, oww)
My name still conjures up deadly deeds
Bad taste in the mouth
And the police, they actually know me
They said, "You're just another person in the world
You're just another fool with radical views
You're just another who has maddening views
You want to turn it on its head by staying in bed" I said, "I know I do"
I said, "I know I do"
(I said, "I know I do")
He doesn't know
