

# Another Round (Skin And Bones)

## Foo Fighters

When she goes storming out  
I run for cover  
Rolling like thunder clouds  
Hanging above herRing in the witching hour  
Spells that I'm singing  
Rain come and drown me out  
Sinking deep aloneCan you go another round?  
I will follow you down and out  
Lets go another round  
I will follow you down andWe could just lay around  
Stare at the ceiling  
Want to forget about  
One for the feelingRoom full of photographs  
Box full of letters  
Come on make it last  
Nothing else matters right nowCan you go another round?  
I will follow you down and out  
Lets go another round  
I will follow you down and outCan you go another round?  
I will follow you down and out  
Lets go another round  
I will follow you down and outLets go another round  
I will bother you down and out  
Lets go another round  
I will follow you down and out
