

I Palindrome I

They Might Be Giants

Someday mother will die and I'll get the money
Mom leans down and says, "My sentiments exactly
You son of a bitch" I palindrome I, I palindrome I, I palindrome I, I palindrome I
And I am a snake head eating the head on the opposite side
(Snake head, snake head)
I palindrome I, manonam, I palindrome I, manonam See that bulletproof dress hanging from the clothesline
See the medical chart with the random zig-zag
Now, I'll help it decide I palindrome I, I palindrome I, I palindrome I, I palindrome I
And I am a snake head eating the head on the opposite side
(Snake head, snake head)
I palindrome I, manonam, I palindrome I, manonam
I palindrome I, manonam, I palindrome I, manonam "Son I am able", she said, "though you scare me"
"Watch", said I, "Beloved", I said, "Watch me scare you though"
Said she, "Able am I, Son" See the spring of the grandfather clock unwinding
(Egad, a base tone denotes a bad age)
See the hands of my offspring making windmills
(Egad, a base tone denotes a bad age) Dad, palindrome, dad, I palindrome I, I palindrome I
I palindrome I, I palindrome I
And I am a snake head eating the head on the opposite side
(Snake head, snake head)
I palindrome I, manonam, I palindrome I, manonam
I palindrome I, manonam, I palindrome I, manonam
