

Rich Girl

Me First and the Gimme Gimmes

[Chorus]

You're a rich girl and you're goin' too far
Cause you know it don't matter any way
You can rely on the old man's money
You can rely on the old man's money
It's a bitch, girl but it's going too far
Cause you know it don't matter any way
Say money, money won't get you too far
Won't you far Don't you know, that it's wrong, yeah
To take what he's givin' you
So far gone, ohh, you can get along
You can try to be strong, but you'll never be strong, yeah [Chorus] High and dry, out of the rain
It's so easy to hurt others when you can't feel pain
Don't you know that a love can't grow
Cause it's too much to give cause you'd rather live for the thrill of it all [Chorus] Say money, money won't get
you too far
Say money, money won't get you too far
Won't get you far
Ah, yeah
