Divine

Korn

I hide only to defy you
Take away the only love inside you
I'll see your face through everyone inside
I've just begunYou think I'm out to scare you?
I'm only out to prepare you
For when you stop and turn around
Your body's going downYou're gonna waste your time
Your life will soon be mine
You're definitely one of a kind
Your suffering 'cause of me is divineTell me, why you never liked me
Tell me once that you'll fight me
Bold, and I'll wait for the perfect time
To take what's rightfully mineYou play the dumb to defy me
You say that you don't, but defy me
You wait, you don't want anyone
Oh noYou're gonna waste your time
Your life will soon be mine
You're definitely one of a kind
Your suffering 'cause of me is divineFuck you!
I'm fed up with you
I'm not as good as you
Fuck no, I'm better than you!Know what? Fuck you!
I'm fed up with you
I'm not as good as you
Fuck no, I'm better than you!Know what? Fuck you!
I'm fed up with you
I'm not as good as you
Fuck no, I'm better than you!Know? Fuck you!
I'm fed up with you
I'm not as good as you
Fuck no, I'm better than you!Know what? Fuck you!
I'm fed up with you
I'm not as good as you
Fuck no, I'm better than you!Know what? Fuck you!
I'm fed up with you
I'm not as good as you
Fuck no, I'm better than you!Know what? Fuck you!
I'm fed up with you
I'm not as good as you

Fuck no, I'm better than you!You know what? Fuck you!
I'm fed up with you
I'm not as good as you
Fuck no, I'm better than you!You're ohh, ahh, gonna waste your time
Your life will soon be mine
You're definitely one of a kind
Your suffering 'cause of me is divineDid you really think
You'd beat me at my own game?
You tried to see what you got
Me ripping at your brain
