This Is Who You Are

The Beautiful Mistake

Sometimes time brings us down
Washes us with guilt and questions
We'll stand tall, and in the end
We will win!We will fight forever this time
Until they die or they're wash away (2X)
Words will try, to break us down
Cloud our minds, with waves of regret
Storms will come, but in the end
We will win!We will fall forever this time
Until they die or they're wash away (2X)We will win!We will not move!
We will not lose!
We will not give in!
We will not lose!
We'll stand tall in the end!
We will win!We will fall forever this time
Until they die or they're wash away (2X)
