

# Heavenly

Grant-Lee Phillips

Feels like heaven, sweet darling  
(Heavenly)  
Baby, baby, baby  
(Heavenly)  
Heavenly  
For the first time I do believe that  
I've been swept off my feet  
In all my life I've, I'd wonder whether  
This would ever be  
There's a place where only you could ever take me  
I get lost in your arms  
It's so strong, I am powerless to fight it  
I surrender my life  
Heavenly is how I feel now that you're inside me  
Since you came and you touched my heart  
Can it be love is real now that you make me see?  
Heavenly, say we'll never part  
Heavenly, heavenly  
I wanna thank you  
You're the reason for all that I am  
'Cause without you I'd be lost, baby  
You're all that I have  
There's a place that only you could ever take me  
I get lost in your arms  
  
It's so strong, I am powerless to fight it  
I surrender my life  
Heavenly is how I feel now that you're inside me  
Since you came and you touched my heart  
Can it be love is real now that you make me see?  
Heavenly, say we'll never part  
Baby, won't you touch me, feel me  
Until I'm over flowing?  
Let me show you how much  
Your love means to me  
Heavenly is how I feel now that you're inside me  
Since you came and you touched my heart  
Can it be love is real now that you make me see?  
Heavenly, say we'll never part

Heavenly is how I feel now that you're inside me  
Since you came and you touched my heart  
Can it be love is real now that you make me see?  
Heavenly, say we'll never part  
Heavenly, heavenly  
Heavenly, heavenly  
Heavenly, heavenly  
Heavenly, heavenly
