I'm So Cool

Carlene Carter

I got my feet on the ground and my head in the cloud
Everyone whispers 'cause I talk too loud
Hangin' out with the girls just ain't my scene
It takes one to know one and girls are mean
Yeah, girls are meanLet 'em stare, I don't care
'Cause I'm exception to the rule
They're only jealous 'cause I'm so coolI'm a disco daughter who walks in four-four time
Sippin' co-cola with a twist of lime
Hangin' out with the boys is where it's at
'Cause they got the balls and I got the bat
Yeah, I got the batLet 'em stare, I don't care
'Cause mama didn't raise no fool
They're only jealous 'cause I'm so coolOoh, I don't care
'Cause mama didn't raise no fool
They're only jealous 'cause I'm so cool
They're only jealous 'cause I'm so cool
They're only jealous 'cause I'm so coolThey're only jealous 'cause I'm so cool
I'm so cool
They're only jealous 'cause I'm so cool, so cool, so cool
I'm so cool
