

The Reason Why

John Farnham

What did I do
Before the day I set my eyes on you?
Spending my time
Just working at the things I had to do And then I saw your face
I was captured heart and soul
You gave me so much more You're the reason why
I listen in the night
And steal the softest kisses
While you sleep You're the reason why
Tears will fill my eyes
Just looking at a photograph
Of you Touching my frown
Tell me what you read between the lines
Every thing's alright
I know sometimes I act a little strange You bring me so much joy
Conversations make me smile
How could I love you more? You're the reason why
I speak with foolish pride
Whenever there's a chance
To show you 'round And you're the reason why
I lost this heart of mine
At the very moment
You arrived And I can't believe this life
Was ever lonely
No, I can't imagine life
Before you You're the reason why
I'm holding on so tight
I never want to let
This feeling go And you're the reason why
My love will never die
My heart just could not sing
If not for you What did I do
Before the day I set my eyes on you?
