Laying So Low

Sloan

I want to be chosen but I fear
I'm so in the background that I'll disappearOh, you can't know
If it's me that you want
When I'm laying so lowOh I hope you find
Me, when you manage
To make up your mindI can't approach you Though I never tried
So I will support you whatever you decideOh, you can't know
If it's me that you want
When I'm laying so lowOh I hope you find
Me, when you manage
To make up your mindIf I don't find myself where you can see
How can I count upon your company?Can you see me at all when I'm laying so low?
Don't expect me to call 'cause I'm laying so lowOh I hope you find
Me, when you manage
To make up your mind
