

EVERYTHING IS FINE

Scarlxrd

1, 2, 3, 4
You might kill for
That life in the end
I can't stand a regret and you know it
This is life, fucked up, and I know it
It's fine, everything's fine
I can't stand a regret and you know it
This is life, fucked up, and I know it
It's fine, everything's fine
So long
I've been feeling hate for so long
Fuck up out of my way you're so wrong
I live my life like it's so wrong
My backs against the wall
I like it that way
Said my backs against the wall
I like it that way
Little creeper
I can never do the things that he did
Why you gotta treat me like a demon
Well I know that you don't like me much
Blame
This is the role that I play
Lies
This is the role that I play
1, 2, 3, 4
You might kill for
That life in the end
I can't stand a regret and you know it
This is life, fucked up, and I know it
It's fine, everything's fine
Fine, fine, fine
Blat, Everything's fine, yeah
Laughs
I'm really okay
