

Ghosts That We Knew (Live at Red Rocks)

Mumford & Sons

You saw my pain, washed out in the rain
Broken glass, saw the blood run from my veins
But you saw no fault no cracks in my heart
And you knelt beside my hope torn apart
But the ghosts that we knew will flicker from you
And we'll live a long life
So give me hope in the darkness that I will see the light
'Cause oh that gave me such a fright
But I will hold as long as you like
Just promise me we'll be alright So lead me back
Turn south from that place
And close my eyes from my recent disgrace
'Cause you know my call
We'll share my all
Now children come and they will hear me roar
So give me hope in the darkness that I will see the light
'Cause oh that gave me such a fright
But I will hold as long as you like
Just promise me we'll be alright But hold me still bury my heart on the cold
And hold me still bury my heart on the cold So give me hope in the darkness that I will see the light
'Cause oh that gave me such a fright
But I will hold on as long as you like
Just promise me that we'll be alright But the ghosts that we knew made us blackened or blue
But we'll live a long life And the ghosts that we knew will flicker from view
And we'll live a long life
