

Right Where We Left Off

The Downtown Fiction

What are you doing here?
Seems like a thousand years
since we've been together.
How could I look the same,
'cause god knows that I have changed.
It feels like forever. Some things got turned around,
our lives went upside-down.
Now that I'm back I found we're right where we left off.
This life's a mystery,
don't make much sense to me.
Now that I'm back I see we're right where we left off,
right where we left off (x2) John took the overdose
and Tay's buying baby clothes
and I'm feeling honest.
Now that it's in the past, there's something I'd like to ask.
Did you get what you wanted? Some things got turned around,
our lives went upside-down.
Now that I'm back I found we're right where we left off.
This life's a mystery,
don't make much sense to me.
Now that I'm back I see we're right where we left off,
right where we left off (x2) So where are you going now?
I guess I'll see you around. Some things got turned around,
our lives went upside-down.
Now that I'm back I found we're right where we left off.
This life's a mystery,
don't make much sense to me.
Now that I'm back I see we're right where we left off,
right where we left off (x3)
