Waikiki

Hui Ohana

There's a feeling, deep in my heart. Stabbing at me just like a dart, its a feeling, heavenly. I see memories out of a past. Memories that always will last. Of that place beside the sea. WAIKIKI at night where the shadows are falling i hear your rolling surcalling, calling and calling to me, waikiki my whole life is empty without you, i miss that magic about you, magic beside the sea. Your tropic heights and your wonderful charms are ever in my memories and I recall as I held in my arms an angel sweet and heavenly waikiki this for you that my heart is yearning my thoughts are always returning back there to you across the sea your tropic heights and your wonderful charms are ever in my memories and recall as i held in my arms an angel sweet and heavenly waikiki my whole life is empty without you i miss that magic about you magic beside the sea magic of waikiki.
