in a clear planet in the galaxy, he was born.
It's the period of war. Winners enjoy Heaven.
We always lose and our life is hell.
Now we will say farewell to those days.
Now let's stand up!Can you hear the voice from inside of you?
Can you hear the voices of your comrades?Beat your enemies away, Meta Taroh!Meta Taroh, Meta Taroh, you are the hero.
With the Metal power, you're going to reborn.

He's everybody's hero, META! Meta Taroh!M! E! T! A!Can you hear the voices of your comrades?
Call the hero up from your heart!Meta Taroh, Meta Taroh, the Metal hero.
