Sweet Kisses

P.y.t.

As I walk with him
I'm feeling something different
The way he looks
The way he smiles
The way he listensHe ain't the finest guy I know
Let's just let the record show
The boy's got style
The boy's got class
Always says something
To make me laughI ain't looking for no guy
Who thinks he's too cool
I don't want no one
To play me for a fool
What I'm looking for
I found is so delicious
All I really need isSweet sweet kisses
Every moment I'm awake
Sweet sweet kisses
Every promise that I make
Sweet sweet kisses
Every star up in the sky
Sweet kisses
Your sweet kiss I can't denyAs I'm going through
Oh so many changes
One thing in my life
Remains the same
He's the only one
I'm dreaming ofNever have to tell him
To show me love
The boy's got class
The boy's got style
Always says something
To make me smileI ain't looking for no guy
Who thinks he's too cool
I don't want no one
To play me for a fool
What I'm looking for
I found is so delicious
All I really need isSweet sweet kisses

Every moment I'm awake
Sweet sweet kisses
Every promise that I make
Sweet sweet kisses
Every star up in the sky
Sweet kisses
Your sweet kiss I can't denyYou've got something special any fool could see
You've been number one from the start
If by chance you ever have to leave
You will always stay in my heartSweet sweet kisses
Sweet sweet kisses
Sweet sweet kisses
Sweet kissesI ain't lookin' for no guy
Who thinks he's too cool
I don't want no one
To play me for a fool
What I'm looking for
I found is so delicious
All I really need isSweet sweet kisses
Your kiss is so sweet
Sweet sweet kisses
Oh so sweet
Sweet sweet kisses
Oh your kiss is so delicious
Sweet kisses
Oh so sweetSweet sweet kisses
Your kiss is so sweet
Sweet sweet kisses
