

Kill (feat. Lil Wayne)

Jadakiss

Advisory - the following lyrics contain explicit language:

[Hook]

What am I (a real nigga)
This coupe I'm in cost a mil nigga
Niggas hatin I feel niggas
AK47 locked and loaded bout to kill niggas
(Huh now what you say) I'm bout to kill niggas
AK 47 locked and loaded bout to kill niggas[Verse 1: Jadakiss]
Real niggas love me bitches they ain't never stop
Hating niggas fuck them they can eat a bunch of cock
Ima move this white shit all you do is punch the clock
Nobody arrested all they did was rush the block
Do it for my realies cause they the ones who feel me
Til God calls for me or 1 of these niggas kill me
As far as the rap game go I'm the Achilles
Last man standing quit flipping fast gramming
My back against the wall what I do blast cannon
Pre-mediated I already planned it
Let you see that barrel burner to your eye
Its assault if he lives but its murder if he dies (fuck him)[Hook]

What am I (a real nigga)
This coupe I'm in cost a mil nigga
Niggas hatin I feel niggas
AK47 locked and loaded bout to kill niggas
(Huh now what you say) I'm bout to kill niggas
AK 47 locked and loaded bout to kill niggas[Verse 2: Lil Wayne]
Don't start no shit won't be no shit
She a cancer I hit her with the chemo dick
I'm married to the mob my tuxedo fit
Now can you treat a blood like a mosquito bitch
I'm the exterminator they call me terminator
I cock this motherfucker back and Arnold Schwarzenegger
I'm still a Martian nigga approach with caution nigga

I'm bout to kill em baby no abortion nigga
Toss a nigga in a river wearing sea men shoes
Smokin' quarters and pounds I'm on my p's & q's
And my redbone taste like strawberry shortcake
I'm still trying to find a pain killer for heart break
I'm in this bitch kush in this swisher
I'm with my niggas y'all witnesses
RIP to them fake niggas
VIP to my scape niggas[Pre-hook]
What am I (a lil nigga)
Still do it bigger than Shaquille nigga
Niggas hating (I feel niggas)
AK47 locked and loaded bout to kill niggas[Hook]
What am I (a real nigga)
This coupe I'm in cost a mil nigga
Niggas hatin I feel niggas
AK47 locked and loaded bout to kill niggas
(Huh now what you say) I'm bout to kill niggas
AK 47 locked and loaded bout to kill niggas
