# My Lost Lenore (live)

## Tristania

For thy promise bewailed
by her raveneyes
by her beauty and a scarlet sunrise
May thy river bury her silvertears
A fallen angel... enshrined in moonlit seasLeaving vitality
so serene breeds my darkness
Entreating winterwinds
though I leave... I embrace theeWinternight
conceal thy precious angellore
I secrete my soul
under thy wings of sorrow
Dark I embrace thy eyes
wander lost on life's narrow path
I reveal my heart
to this beauty dressed in darkGrieving raveneyes
falls asleep with the sunrise
Delightful midsummer breeze
though I leave... I await theeGrant me thy last midsummer breeze
May thou ascend from endless sleep
... my desire
Dance me above thy moonlit seas
Glance yearningly into the deep
a cold and weary nightWidwinternight
Descending me like flakes of snow
I embrace the cold
for a life that morrows
Dark I embrace thy heart
Wanderer lost beyond veils of dawn
I conceal thy loss
enthralled in life yet still I mourn
My lost Lenore...
