tralala

Bilge

In this world I live in
I care for number one
Hell is round the corner
Never trust no oneFunny how the people
Came to gather round
Oh, so many people
When I was on the groundI've never known what love is
There's no Mr.Right
If they want to treat me good
Then that's their sorry plightFunny how the people
Came to give their voice
Are they really people
Or just silly little boys?Say what you want
I don't mind, I don't mind
Say what you need
I don't mind, I don't mind
I don't mind, I don't mindI want all the people
To notice who I am
Gotta show them what you've got
Or they won't give a damnSay what you want
I don't mind, I don't mind
Say what you need
I don't mind, I don't mind
